maiden trip of five days and two hours, the Matson steamer Matsonia arrived in Housials at 7:15 last even-ing five days, six bours and five minutes from San Francisco, and docked at Pier 15. This time was 12 hours ess than her regular schedule calls

The fast time made by the Matsonia shows that when necessary she has pienty of speed to call upon and, according to Capt Charles Peterson, better time than that could have been made if Captain Matson had not ordered that the engines be kept down to 78 revolutions a minute. Regardless of the speed she was very steady. less of the spred she was very steady and no discomfort was experienced

of cement, 1540 tons of feed and and 4208 tons of general merchan-

The Matsonia will sail for Hilo Frine 28, at 10 o'clock from Pier 15.

PASSENGERS ARRIVED Areastein, Dr. Eleanor keys, one crate ages, 12 hogs and 115 sociated with international affairs.

Though the time may not yet have ome when the very necessity, which drove the Enropean governments to guarantee profits of private contractors, should lead the United States government to the adoption of similar arrangements, yet that very proposition was recently made by J. W. Powell, president of the Pore River Shipbuildof the American Society of Naval En-gineers, and is of particular interest at this moment when the talk of pre-paredness is holding the attention of crery landy. Powell pays:

"Just at present and as far as that is concerned at any time, the ship-buliners do not care for the business

of the many. We can make a larger profit muon private contracts, and unfortunately our relations, with private concerns are more satisfactory than these with the povernment. We are constantly at arm's length with the

The schooner Salem which left New castle, Australia, May 29 with 1145 tons of coal for Honolulu will probably arrive here the latter part of July. The average vovage is 60 days.

The later-island steamer Claudine from Maul arrived here this morning with 21 cabin and 29 deck passengers, the brought 1996 bags of sugar, 29 cases of honey, 103 bundles of hides, 142 bags of potatoes, 30 bags of corn, 144 crates of chickens, one crate tur-
